Reference: **Romney Wind Energy Centre – Noise Performance Limits
(REA Permit Number: 3397-AV3MVX)**

Dear Director,

As required by condition C3 of the Renewable Energy Approval (REA) number 3397-AV3MVX, Romney Energy Centre GP Inc., as general partner for and on behalf of Romney Energy Centre Limited Partnership, confirms that the UTM coordinates of the "as constructed" Equipment comply with the requirement of Condition C1 (2).

It should also be noted that, as provided for in Condition A9, seventeen (17) of the eighteen (18) wind turbines identified in Schedule B have been built. Thus, Turbine A1 described in Schedule B was not built.

Please feel free to contact us at any time should you require any additional information.

Sincerely,

A handwritten signature in blue ink, appearing to read "SD", followed by a horizontal line.

Stephane Desdunes
Senior Director, Development
Romney Energy Centre GP Inc., as general partner for and on behalf of Romney Energy Centre Limited Partnership
