

NOTICE OF A PROPOSAL TO ENGAGE IN A RENEWABLE ENERGY PROJECT AND NOTICE OF PUBLIC MEETING

To be held by Pendleton Energy Centre Limited Partnership regarding a Proposal to Engage in a Renewable Energy Project

Project Name: Pendleton Solar Energy Centre (the Project)

Project Location: The Project is located approximately 6 km west of Curran, in the Township of Alfred and Plantagenet, within the United Counties of Prescott and Russell. The proposed solar facility is located on one parcel of privately-owned land at the south-east corner of County Road 19 and County Road 2, and the proposed connection point to the distribution grid is located immediately adjacent to the property, on the west side of County Road 19.

Dated at the Township of Alfred and Plantagenet, United Counties of Prescott and Russell, on this the first of September, 2016.

Pendleton Energy Centre Limited Partnership is planning to engage in a renewable energy project in respect of which the issuance of a renewable energy approval is required. The distribution of this combined Notice of a Proposal to Engage in a Renewable Energy Project and Notice of Public Meeting, and the Project itself are subject to the provisions of the *Environmental Protection Act* (the Act) Part V.0.1 and Ontario Regulation 359/09 (the Regulation). This Notice must be distributed in accordance with section 15 of the Regulation prior to an application being submitted and assessed for completeness by the Ministry of the Environment and Climate Change.

Project Description:

Pursuant to the Act and Regulation, the facility, in respect of which the project is to be engaged in, is considered to be a Class 3 Solar Facility. If approved, this facility would have a total maximum name plate capacity of 12 MW. The project location is described in the map to the right.

Documents for Public Inspection:

The Project is being proposed in accordance with the requirements of the Act and Regulation. The Draft Project Description Report titled Pendleton Solar Energy Centre – Draft Project Description Report describes the facility as a solar energy generating facility that will be used to convert solar energy to electricity. A written copy of the Draft Project Description Report has been made available for public inspection during regular business hours at the Township of Alfred and Plantagenet municipal office (205 Old Highway 17) and online at www.edf-en.ca/projects/project_display/pendleton-solar-energy-centre1. The Draft Project Description Report will also be made available at the public meeting, described below.

Public Meeting Information:

A Public Meeting is being held, and stakeholder input collected, as part of the above-noted regulatory process. The meeting will provide the community with the opportunity to meet the Project team, learn more about the proposed Project and the regulatory process, and provide comments and questions regarding the Project. We would appreciate your input and welcome your attendance at our drop-in style meeting.
